

Mr. Colin Lambie (Treasurer)

Master of Business (La Trobe); Graduate Diploma in Computing (Bendigo College of Advanced Education); Bachelor of Engineering (Monash); Bachelor of Arts (Deakin)

Appointed: 2004

Occupation: Business Owner and Consultant in Technology

Colin has held several positions in his career including Telecommunications Engineer with Telecom (now Telstra), Teacher (Secondary and TAFE), Lecturer (Bendigo College of Advanced Education, Hospital Engineer, IT Manager, Consultant (project management, tendering for grants, etc). Colin's interest in the health sector began when he worked as an Engineer and IT specialist at Bendigo Health. He gained knowledge and experience which has led him to further involvement in the sector through the BCHS Board. Colin finds that the team stimulates him to achieve at a higher level. "On a personal level I enjoy the camaraderie and look forward to the opportunity to give something back to my community."

Other Positions
