

**Dr Mandy Kenny**

*Registered Nurse, Midwife, Bachelor of Nursing, Graduate Certificate Higher Education, Graduate Diploma Midwifery, Master of Nursing, PhD*

Appointed: 2007

Occupation: Director of the Faculty of Health Sciences, La Trobe University Bendigo, Associate Professor Regional and Rural Nursing

Mandy's clinical background is as a nurse and midwife and she holds a PhD in public health policy. She is widely published internationally and has been a key speaker at a number of international conferences. She is the assistant editor of a major international journal published from the United Kingdom. Mandy is an active researcher and her current research includes rural health service delivery and chronic disease management in rural communities. She has conducted extensive research for state government on rural health issues, with an emphasis on rural workforce. Mandy has a strong interest in community health, and as a new Board member is excited about her role. "I am delighted to be given the opportunity to learn a great deal from the impressive team of people who are associated with BCHS at all levels."

**Other Positions**

Mandy has been a member of a number of state and national government committees and is viewed as an expert on rural health.
