

Elizabeth May

RN

MBA

Masters in Public Policy and Management

Appointed 2007

Occupation

Manager Performance Reporting Unit, Bendigo Health Care Group

Elizabeth has been on the BCCHS Board for three years. She enjoys stepping outside of her usual day job to learn more about the community and become engaged in wider healthcare industry issues. "There are two main aspects I enjoy about this board, one is the great team I get to work with and the other is that BCCHS is an organisation I feel proud to be associated with"
