

Leigh Watkins (Chair)

Associate Diploma of Electronics

Appointed: 2004

Occupation: Senior Manager Strategic Markets, Bendigo Bank

Leigh is responsible for driving the banks sustainability products and climate change response, and in helping to build solutions for sustainable communities. He is involved in Sustainable Energy developments and Emission offset programs. Leigh sees his involvement in BCHS as an extension of his work, "Health is an important part of maintaining sustainable communities and Climate Change is presenting many new areas of concern for the long term health of our communities", "Working with BCHS is my way of contributing back to the community and helping build a healthy outcome."

Other positions

Director of the Central Victorian Solar Cities program

Director of Central Victorian Greenhouse Alliance
