

## **Karen Riley**

General Manager Primary Health

Karen oversees the Primary Health portfolio which includes Allied Health, General Practice, Elmore, Nursing, teaching and learning, CDM and clinical governance.

Karen enjoys being part of the executive management team and, in particular, enjoys the stewardship which ensures that the richness of the history of this organisation is carried forward into a prosperous future. Karen says “It is a privilege to work in your own community and to work with the people who carry the vision of BCHS in working with our community.”
