

POSITION VACANCY ADVERTISEMENT

Community Services Counselling and Mental Health Mental Health Clinician/Counsellor Part and Full Time Hours available Ongoing roles

The Position

The position of Mental Health Clinician sits within the Counselling and Mental Health team. The focus of the role is to provide evidenced based therapeutic interventions to consumers aged 18 years and above including consumers of diverse backgrounds.

The Bendigo Community Health Services (BCHS) Counselling team provides a range of services including Generalist Counselling, Culturally Sensitive Counselling, Primary Mental Health Clinical Care Coordination (PMHCCC), Psychological Treatment Services (PTS), PTS child, Suicide Prevention and Employee Assistance Programs (EAP) and the Head to Health Hub. The service delivery includes assessment, individual therapy, case reviews, clinical care meetings and clinical care co-ordination, consumer referral, educational programs, service liaison, consumer advocacy and other tasks as identified to address consumer needs.

BCHS are seeking a candidate with a tertiary qualification in a relevant discipline with current registration with the Australian Health Regulation Agency (AHPRA) or membership of the Australia Association of Social Workers (AASW) or registration with other relevant professional associations.
