**Community Health Nurse - Alcohol and Other Drugs
Casual**

The Position

This position is designed to provide a comprehensive range of withdrawal and pharmacotherapy care and support including, assessment, care planning, case coordination, discharge planning and facilitation into post-withdrawal supports and other options to persons with complex issues related to their use of alcohol and other drugs.

The position is aligned with Bendigo Community Health Services (BCHS) clinical withdrawal and pharmacotherapy treatment programs and is situated at our Holdsworth Road site and is part of a multi-disciplinary team that operates on principles of supporting consumer choice and supporting lifestyle change.

The successful applicant will provide accurate early identification of potential issues of dual diagnosis (alcohol and other drugs and mental health issues) with provision of appropriate interventions to help individuals to meet agreed treatment goals as well as to maintain or to improve their quality of life.

Salary and conditions of employment are in accordance with the Nurses Victorian Health Services Award - Nurses and Midwives (Victorian Public Health Sector) (Single Interest Employers) Enterprise Agreement 2016 - 2020.

For further information about the position please call Simon Guttridge on 03 5430 0500
