**ALCOHOL AND OTHER DRUGS (AOD) ASSESSMENT AND BRIEF
INTERVENTION WORKER**

*76.0 hours per fortnight
Fixed term to 30 June 2019*

The Position

The Alcohol and Other Drugs (AOD) Referral, Assessment and Brief Intervention role will provide a central point for all Alcohol and Other Drug referrals for treatment options provided by Bendigo Community Health Services.

The position will be the initial treatment contact, provide pathways into treatment streams, brief interventions and waitlist management, including caseload holding; and coordinate access to therapeutic assessment and treatment. The role will be pivotal to integrating AOD treatment streams and work collaboratively with consumers, their families and external stakeholders, to achieve optimum outcomes.

Essential to this role is AOD experience and a relevant qualification in the health and or social services sector (examples include but are not limited by Social Work, Psychology, Nursing, Allied Health Sciences or other) and Certificate IV in AOD or completion of the required competencies.

Salary and conditions of employment are in accordance with qualifications and experience.
