The Position

This position sits within the headspace Bendigo program. The primary focus of the headspace team is to support the health and well-being of young people through services and linkages; improve community awareness and understanding of issues for youth and the impact on their mental health; lead coordinated care and referral pathways internally and externally across a range of multidisciplinary services.

The role of the position is to primarily work with young people who are LGBTIQ+, their families and friends supporting them through their journey. The position will also have a key educational role within the education and services sector to assist this cohort of young people to have positive outcomes in their lives. A key component of this position is to facilitate two diversity groups, one aged between 12 - 18 and the second 18 - 25 who meet weekly at headspace.

Salary and conditions of employment are in accordance with qualifications and experience.
