

#5ways nomination form

Take Notice: Do you know someone making a positive impact in Bendigo?

We would like to thank the following businesses for sponsoring this initiative ...

If you would like to sponsor this initiative it's not too late. Please email bchscomms@bchs.com.au

As part of our #5ways campaign we're looking for people doing positive things for the community and we need your help to nominate someone you know. It could be the person who cooks the BBQ at your children's sport, goes out of their way to make the office happy or a neighbour who brings your bin in. Each winner gets a prize thanks to our kind sponsors. Who do you know?
