

POSITION VACANCY ADVERTISEMENT

Mental Health Programs **Mental Health Clinician** *76.0 hours per fortnight* *Ongoing*

The Position

The Forensic Mental Health in Community Health Program (FMHiCHP) is an exciting new initiative funded by the Victorian State Government. The program is designed to provide high quality mental health services to adults who are currently completing Corrections Orders and where these orders have a Mental Health and Treatment Rehabilitation (MHTR) condition. Improved mental health outcomes and reduced recidivism are the main desired outcomes of the service.

The Mental Health Clinician will play a role in the implementation of the program. This will include participating in the development of key program documents as well as developing strong working relationships with key partners across the region including with Community Corrections. The Mental Health Clinician will be skilled and capable in the delivery of community based mental health and forensic services and will partner with others in the FMHiCHP team to ensure quality and safe care.

A Bachelor's Degree in nursing, occupational therapy, psychology or social work including current registration with the Australian Health Practitioner Regulation Agency (AHPRA) where appropriate is required for this position.

Salary and conditions of employment are in accordance with the relevant discipline and experience.
