Continued Health and Independence **Family Drug Support Worker** *30.4 hours per fortnight* *Ongoing*

The Position

Bendigo Community Health Services (BCHS) are seeking a suitably experienced and qualified Alcohol and Other Drugs (AOD) team member to undertake the role of Family Drug Support Worker. The role acknowledges the need of AOD service users and their families (and significant others) to have a coordinated responsive approach that meets their identified needs and aids their recovery journey.

The role of Family Drug Support Worker has been developed to provide families with strategies for setting boundaries, dealing with conflict, building resilience and taking care of themselves and others. The Family Drug Support Worker role will primarily focus on supports required by families and significant others of people accessing BCHS' Residential Withdrawal Program (Nova House).

Salary and conditions of employment are in accordance with the Community Health Centre (Stand Alone Services) Social and Community Service Employees Multi Enterprise Agreement 2017.

A recognised tertiary qualification in a related area of health or community services is required for the role as is demonstrated expertise in the alcohol and other drugs field.

For further information about the position call Jan Dunlop, Team Manager - Non-Residential Alcohol and Other Drug Services on 03 5448 1600.
