### **The Position**

Bendigo has experienced a rapid growth in refugee and skilled migrant arrivals over the past eleven years. Bendigo Community Health Services (BCHS) has managed a suite of refugee settlement services for over nine years with the key target groups including the Karen, Afghan and South Sudanese communities.

BCHS have identified isolated families of refugee background who do not actively participate in civic life, have poorer health and service literacy despite participating in BCHS' settlement programs on arrival.

This position will engage and support settlement program facilitation, identify enablers and barriers to improving self-reliance, health and service literacy and access to mainstream organisations.

Salary and conditions of employment are in accordance with the Community Health Centre (Stand Alone Services) Social and Community Service Employees Multi Enterprise Agreement 2017.

For further information about the position call Kaye Graves, Team Manager - Cultural Diversity and Relationships on 03 5406 1200.
