Position Role

The position of Occupational Therapist provides an opportunity for a suitably qualified and experienced person to work with families as the primary case worker to assist their child in reaching their full potential using a trans-disciplinary approach and case coordination.

The Occupational Therapist will be responsible for providing supports under the service provision processes of the National Disability Insurance Scheme. The appointed Occupational Therapist will deliver substantial support in relation to their direct service provision, which includes children and their families with complex needs and circumstances.

Position Responsibilities

The responsibilities of the position are:

- Administer occupational therapy assessments and therapy for individual children.
- Work within the Strong Start team to plan and implement programs.
- Provide written reports for families and professionals as required.
- Screen and identify further assessment and referral needs of children.
- Develop programs for carers to implement in home environments.
- Consult with other professionals to enhance outcomes for children.
- Provide individual therapy sessions
- Facilitate group programs.
- Support and provide direct care services to consumers, including to children or families with complex needs and situations, as determined by the incumbent's scope of practice.
- Practice in a family-centred and collaborative manner to ensure service responses that are integrated and directed toward consumer goals.
- Support the Team Manager - Strong Start in the maintenance of effective relationships and collaborations.
- Prepare clear, concise and well-organised written documents and oral presentations, as required.
- Facilitate a positive team culture that reflects BCHS' values and supports effective communication and resolution of conflicts.

The Role of the Team

The Strong Start team provides a range of services for children and families and operates on principles of supporting choice for families through provision of information, support and resources. Services offered are both key worker and therapy specific. The team provide services to children from birth through primary school depending on appropriateness for the program.
