

We Go Lots of Places with our Parents

Our parents take us to school and Kindergarten.

Our parents take us shopping.

Our parents take us to the park.

We hold a parent's hand when leaving the front yard.

**We hold a parent's hand to keep us safe from traffic
and strangers.**

We sit down at the bus stop to wait for the bus with Mum and dad. This keeps us safe from cars or buses that cannot see us.

**When we come to the end of the foot path, we stop,
look and listen, to see if any cars are coming.**

If the road is clear, we only cross the road when we are holding a parent's hand.

This keeps us safe from cars, buses and other vehicles that can not see us.

The End
