

A good friend

I am nice to my friends.

I make my friends feel happy.

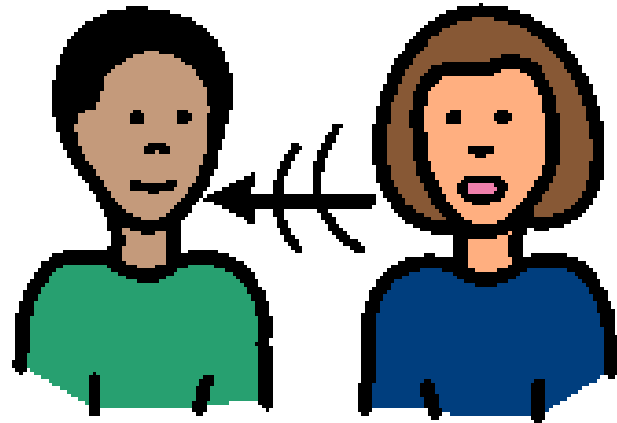

I say nice words to my friends.

Good job!

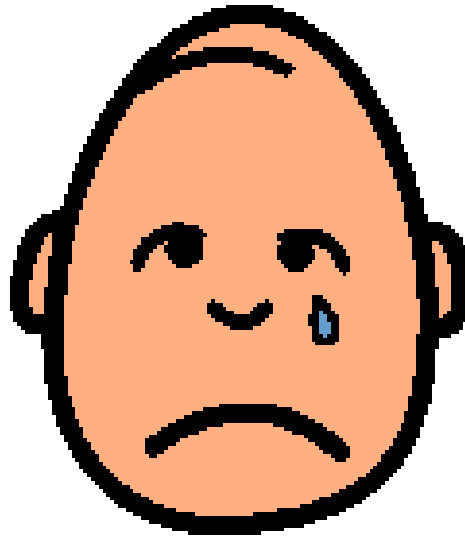

I like being your friend.

You are nice.

I like playing together.

I do not tease my friends. Teasing
makes friends feel sad.

Teasing is when you say mean words
or make faces.

I don't want to be your friend.

I don't like you.

I don't want to play with you.

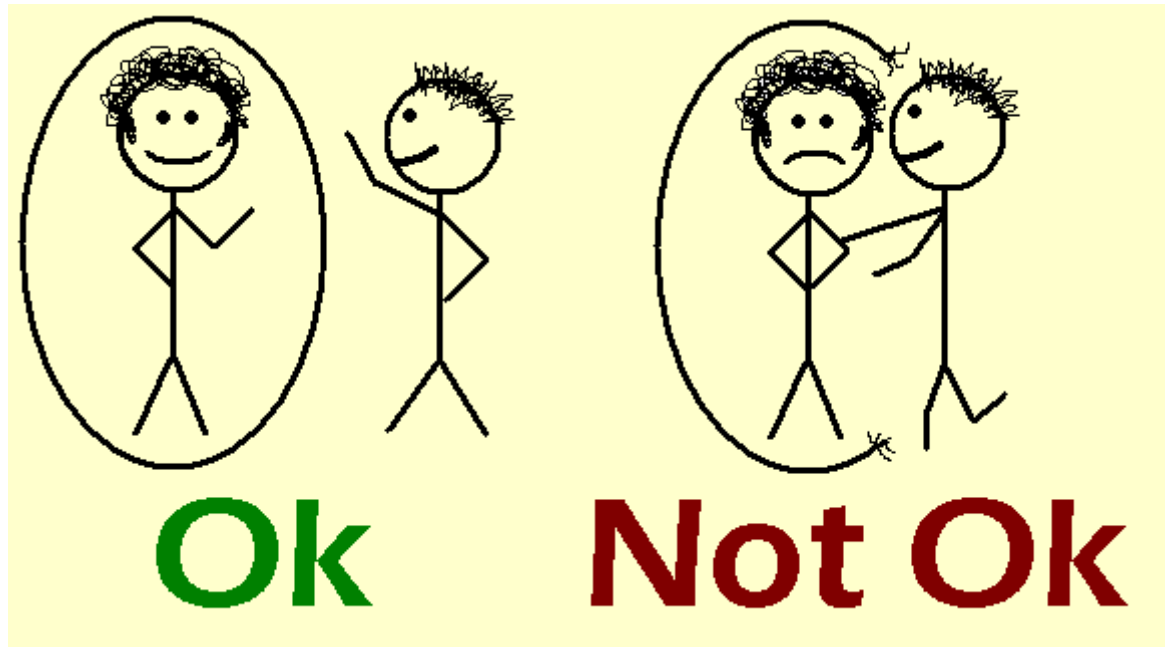

I do not push or hit my friends. This is mean. Mean actions make friends sad.

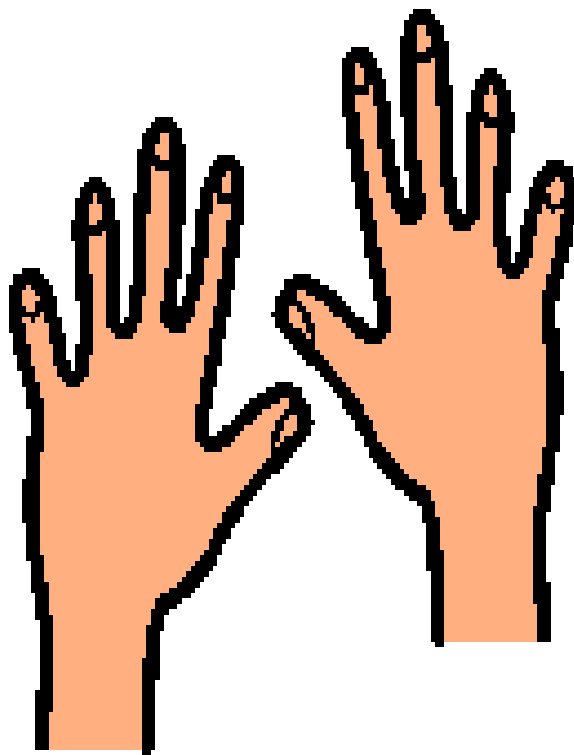

I do not take my friend's toys. I do not try to beat my friends.

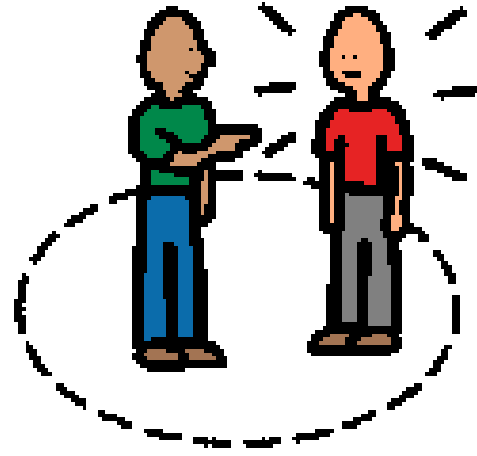

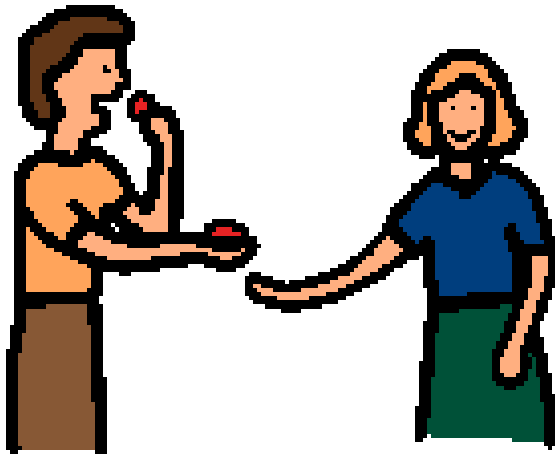

I give my friends personal space
when I talk to them

I give my friends high fives.

I share and take turns with my friends.

I am learning to be a good friend
