## *Continued Health and Independence* **Community Health Nurse** **Alcohol and Other Drugs** **Withdrawal & Pharmacotherapy Services** *On Going and Casual Bank*

### **The Position**

Bendigo Community Health Services are looking to appoint a range of experienced and qualified clinicians who have a broad range of care and support experience relating to service assessment, care and recovery planning within a withdrawal and pharmacotherapy treatment settings. The roles work within a multidisciplinary team with primary focus on supporting persons with complex issues and choices related to their use of alcohol and other drugs.

The range of ongoing and casual positions provide clinical supports to consumers during:

- their stay at the five-bed withdrawal facility (Nova House) as well as pre and post care service delivery, and/or
- engagement within opiate replacement treatment clinic

Applications should have an interest in or relevant experience and qualifications in alcohol and other drugs and/or mental health nursing. Shortlisted applicants will be given an opportunity to discuss their preference for number of hours and employment contract types.

Current registration with the Australian Health Practitioner Regulation Agency as a Division 1 Registered Nurse or a Medication Endorsed Enrolled Nurse Division 2 is required for this position.

For further information about the position call Sheenah Van Eck, Team Manager - Alcohol and Other Drugs Clinical Services on 03 5406 1500
