## *Better Health* **Forensic Mental Health Mental Health Clinician** *76hours per fortnight (1 EFT)* *Ongoing*

### **The Position**

There is a vacancy within our Forensic Mental Health Team. The FMHiCHP is an exciting initiative funded by the Victorian State Government. The program is designed to provide high quality mental health care to adults who are currently completing Corrections Orders, and where these orders have a Mental Health and Treatment rehabilitation (MHTR) condition. Improved mental health outcomes and reduced recidivism are the main desired outcomes of the service.

BCHS are seeking a highly motivated clinician who can operate within a team environment with supervision and support. A strong foundation in understanding the recovery model of service delivery in mental health. Detailed understanding of the challenges people with severe and enduring mental illness and complex support needs and of evidence-based best practice interventions.

### **To successfully apply for this position you will need:**

- A qualification in a health related discipline – Nursing, Social Work, Occupational Therapist, Psychologist or other relevant field.
- Current registration with Australian Health Practitioner Regulation Agency (AHPRA) or other appropriate agency (AASW)
- Ability to work with complex clients who have a mental illness
- Previous experience in a similar role
