Community Services Care Hub

MENTAL HEALTH CLINICIAN

Full Time 76 hours per fortnight (1 EFT)

Fixed Term to 30 June 2024

The Position

This position will be based from the Anglicare Victoria Care Hub in Bendigo.

The Care Hub is an exciting new initiative that brings together a number of organisations to form an integrated team of professionals to support Children and Young People in the areas of MentalHealth, AOD, Cultural Connection, Family Work, Community Engagement and Therapeutic Support.

The team will be based from a single location in Bendigo, forming a collaborative, integrated team of staff helping support those entering care for the first time. The aim of the Care Hub is to provide a wraparound service and team of staff to support effective assessment, planning and intervention to help support the Children, Young People and Families through the process and ensure all needs are met.

The integrated team will include professionals from Anglicare Victoria (Lead Agency) and a host of other partner organisations, all working together to do better.

The Mental Health Clinician will provide support to the child or young person to meet their goals, monitor their progress and assist in navigating other health and mental services. They will assess the mental health needs of the child or young person and contribute to the plan to address these needs.

To successfully apply for this position you will need:

1. A tertiary qualification and registration as a Mental Health Clinician with current registration with the Australian Health Practitioner Regulation Agency (AHPRA), or Australian Association of Social Workers (AASW) or registration with other relevant professional association.
2. Demonstrated experience in providing assertive outreach and case management and support to children, youth and families within an empowerment framework, with a comprehensive understanding of best practice principles, consent, advocacy and confidentiality.
3. Demonstrated experience and skills in assessment and identifying risk in families.
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.

Relocation costs may form part of the package for this role.
