Refugee and Cultural Diversity Team
Community Connections Project Worker
53.0 hours per fortnight (0.7EFT)
Fixed Term to 30 June 2024

The Position

This Community Connections Project is a contemporary approach to addressing a range of challenging behaviour issues. It utilises emerging evidence in the development of grassroots, community-based networks and supports. This innovative project is situated where the target cohort already are (Bendigo Library) and will focus on behaviour change opportunities through the building of genuine connections with communities at risk and marginalised.

BCHS is seeking to recruit a skilled experienced worker who has sophisticated community engagement skills and who can demonstrate true understanding and expertise in connecting with people at risk within our community. This new innovative project provides the project worker with an opportunity to shape and inform the development of this proactive approach to community development.

To successfully apply for this position you will need:

1. Qualifications in social work and/or community development with more than five years' experience within these fields.
2. Demonstrated experience in working with supporting and marginalised community members.
3. A demonstrated understanding of the risk, protective and causative factors of antisocial, criminal, and disengaged behaviors of the project cohort.
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.
