

Wellbeing, Inclusion & Independence  
**Refugee and Cultural Diversity Team**  
**Refugee Cancer Services Project Coordinator**  
45.6 hours per fortnight (0.6EFT)  
Fixed Term to 28 October 2024

**The Position**

The Refugee Cancer Services project coordinator will work collaboratively with key partners and the Karen and Afghan and communities to optimize cancer care and access to cancer services and build health, service literacy, and assistance to navigate systems.

We are seeking a candidate who has experience in working with these communities in building health and service literacy and abilities to navigate refugee friendly service systems.

**To successfully apply for this position, you will need:**

1. A demonstrated ability and experience in project management, needs analysis, program design, evaluation and report writing.
2. Experience in working closely with the refugee communities and an understanding of the pre and post settlement complexities of the project target groups, their health status and health beliefs.
3. Experience in working with bilingual, bicultural staff of refugee background.
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.

For further information about the position contact Kaye Graves on 5406 1235.
