

Wellbeing, Inclusion & Independence
Refugee and Cultural Diversity Team
Refugee Cancer Services Project Worker
30.4 hours per fortnight (0.4EFT)
Fixed Term to 30 October 2024

The Position

The Refugee Cancer services project worker will work collaboratively with key partners and the Karen communities to optimize cancer care and access to cancer services. Key activities will include building cancer health and service literacy, and increasing easier culturally sensitive access to cancer services.

We are seeking a candidate who has experience in working with these communities in building health and service literacy.

To successfully apply for this position, you will need:

1. An ability to write, read and speak in English or Karen language.
2. An interest to learn about and/or experience in, community needs analysis, program design, codesign of health information in other languages and evaluation, and improving health and wellbeing
3. Demonstrated communication skills and community engagement with the refugee communities
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.

For further information about the position contact Kaye Graves on 03 5406 9235
