

## **Wellbeing, Inclusion & Independence**

### **ALCOHOL & OTHER DRUG (AOD) TRAINEESHIP**

76 hours per fortnight (1.0 FTE) or Part time equivalent

Fixed term – 12 month or part time equivalent

#### **The Position**

The AOD traineeship is a 12-month program providing a comprehensive learning experience. As a trainee, you will actively participate in various AOD related activities. This hands-on approach will allow you to develop practical skills under the guidance of experienced professionals. The role duties will vary depending upon which level of pathway you are interested in joining, in relation to your own levels of study and achievement. Our traineeship welcomes anyone with a passion for AOD work, offering a variety of pathways to suit your unique journey.

Experience working in the Community Health Sector would also be a definite advantage, however due to the nature of the AOD Trainee Program, **the roles are not open to those who have already undertaken paid work in an AOD role.**

To successfully apply for this position you will need:

1. Willing to be enrolled or completing Alcohol and Drug specific qualification, Dual Diagnosis competencies or course such as Alcohol and Other Drugs Skill Set (course code CHCSS00093).
2. Excellent interpersonal and communication skills with consumers, partners, families, staff and other service providers.
3. Demonstrated ability to work as a member of a multidisciplinary team.
4. Ability to demonstrate and display the values of Bendigo Community Health Services.
5. Competent level IT skills and the use of Microsoft Office tools.
