

## **The Loddon Children's Health and Wellbeing Local SPEECH PATHOLOGIST**

76 hours per fortnight (1.0 FTE) negotiable

Ongoing position

### **The Position**

This exciting new position provides an opportunity for a suitably qualified and experienced Speech Pathologist to join the LCHWL. This role will require a commitment to work with passion and innovation in supporting children and their families to reach their full potential. The role will require collaboration with the partner organisations using an evidence-based multi-disciplinary approach and case coordination.

### **The Team**

The LCHWL provides services for children aged 0-11 years who are experiencing developmental, emotional, relational, or behavioural challenges and their families. The LCHWL will provide a central point for connecting, navigating and accessing health and social care, whilst providing a coordinated and holistic care pathway for children and their families. The LCHWL will deliver services across six local government areas.

### **To successfully apply for this position you will need:**

1. Tertiary qualification with current Speech Pathology Australia registration.
2. Minimum 3 years' experience in relevant Allied Health field.
3. A passion for working with children and their families to enhance their health and wellbeing through early intervention.
4. Demonstrated skills and experience in conducting assessments and developing care plans for children and families.
