

Community Services  
**headspace Bendigo**

**SENIOR MENTAL HEALTH CLINICIAN**

45.6 - 76 hours per fortnight negotiable  
Ongoing

**Applications for this position are invited from Social Workers, Psychologists, Occupational Therapists, Provisional Psychologists and other candidates with relevant qualifications/experience.**

**The Position**

The Senior Mental Health Clinician is a key leadership position at headspace Bendigo. The primary purpose of this role is to support the clinical services that are delivered at headspace and drive their ongoing development.

The Senior Clinician will be an experienced and innovative professional with demonstrated knowledge and experience in mental health service delivery who will provide clinical leadership to headspace, colocated services and private practitioners, ensuring that day-to-day service delivery is safe and effectively meeting the needs of young people.

The Senior Clinician will lead clinical and case review meetings, manage referrals and allocation of young people, lead risk management and carry a caseload. They will guide the early intervention youth mental health services based upon a clinical staging model of mental health and will promote the delivery of high-quality services and provide support and guidance to staff.

**To successfully apply for this position you will need:**

1. Approved tertiary qualification/s in a relevant discipline with current membership of an appropriate professional body (for example AHPRA, AASW - AMHSW).
2. Customer Focus - Actively seeks ways to improve services and is committed to delivering high quality outcomes for young people, their family and friends, and stakeholders.
3. A strong knowledge and working history of engagement of families, friends and services in the care of young people
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.

For further information about the position contact Lindsay Rose on 5406 1400.
