

Community Services  
**headspace Bendigo**

**Mental Health Clinician**

45.6 -76 hours per fortnight (0.6 – 1.0 FTE)

Fixed Term – 18 months from Commencement

**The Position**

This position sits within the headspace Bendigo Access and Response Team. The Mental Health Clinician is responsible for providing assessment, brief intervention / Single Session Interventions and counselling to young people aged 12-25 years in a family inclusive environment. This role will work as part of a multidisciplinary team including, General Practitioners, Vocational Consultants, AOD clinicians and Social and Emotional Wellbeing workers in providing high quality mental health assessment and appropriate counselling and consultation duties to young people aged 12 to 25 years.

**To successfully apply for this position you will need:**

1. Tertiary qualification in a relevant discipline with current membership of an appropriate professional body (for example AHPRA, AASW).
2. Ability to complete psychosocial assessments, risk assessments and alcohol and other drug screening, care planning, case co- ordination and management of young people aged 12 – 25 years.
3. A strong desire to work in the field of mental health and an ability to provide practice that is sensitive to the needs of diverse young people.
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.

For further information about the position contact Lindsay Rose on 5406 1400.
