

Community Services
School Readiness Program
OCCUPATIONAL THERAPIST

Hours negotiable both full & part time available
Fixed term to 22 December 2023

The Position

Are you an Occupational Therapist passionate about working with young children? Bendigo Community Health Services has an opportunity for you to make a real difference to the lives of kindergarten students in the region.

Work with educators and families to identify children who require additional help to be ready to start school. Build children's communication skills, their social and emotional wellbeing and their access to vital allied health services.

This highly rewarding role is part of a multi-disciplinary team supporting children to get the most out of their early learning years. You will also enhance the professional practices of educators and the parenting skills of families, to benefit all children in their care.

To successfully apply for this position you will need:

1. A graduate or post-graduate degree in Occupational Therapy.
2. Current general registration with the Australian Health Practitioner Regulation Agency (AHPRA).
3. Experience working in paediatric Allied Health.
4. Ability to provide vaccination status information that meets the requirements for healthcare workers.
