

Podiatry and Physical Activity Programs Team
Exercise Physiologist - Grade 1
45.6 hours per fortnight (0.6 FTE)
Fixed term (2 years)

The Position

We are looking for an enthusiastic exercise physiologist to join our Podiatry and Physical Activity Programs team, supporting the delivery of effective, safe and high-quality exercise physiology services.

The Podiatry and Physical Activity Programs team includes podiatrists, exercise physiologists, a physiotherapist and Social Support Group staff who work collaboratively to improve the health and wellbeing of clients and the community.

The position works across a number of Bendigo Community Health Services sites and other locations, facilitating a range of exercise physiology services and programs, including group strength training, 1:1 consultations and other specific exercise groups.

A tertiary qualification in Exercise Physiology or equivalent is required for this position, as well as current registration with Exercise and Sports Science Australia (ESSA).

Salary and conditions of employment are in accordance with the Allied Health Professionals (Victorian Community Health Centres) (Multi-Employer) Enterprise Agreement 2022-2026.

About BCHS

Bendigo Community Health Services has cared for the health and wellbeing of the Bendigo community for 50 years. We employ more than 280 people across a broad range of services.

The success of BCHS starts with our staff, who have a high level of professionalism and dedication, allowing us to deliver quality services for the community, with a particular focus on vulnerable people.

Added benefits of working with BCHS include:

- Salary packaging
- Purchasing leave
- Study assistance
- Training programs
- Novated leasing
- Fitness Passport

To successfully apply for this position you will need:
