

What is the Gender Equity Coalition?

The Coalition is a diverse group of people, organisations, businesses, schools, and community sectors working to advance gender equity in Greater Bendigo.

A gender equitable community treats all genders with respect and equal opportunity.

Prioritising gender equity creates safer, more inclusive communities free from family violence, violence against women, and gender-based harm.

Contact the Coalition

If you are working on or have an idea for a gender equity initiative and want support, get in touch.

The Coalition is supported by individuals, businesses, schools, organisations, and community groups across Greater Bendigo, and proudly auspiced by Bendigo Community Health Services.

Ways Gender Equity Coalition members can be involved

- Get the Coalition newsletter with events, resources, and learning opportunities
- Advocate for gender equity
- Contribute through Coalition activities, events, and campaigns
- Connect with others passionate about equity
- Join the Community Engagement Group

Community Engagement Group

This group facilitates existing gender equity initiatives and may develop new ones. It:

- Supports groups focused on gender equity.
- Gives members flexibility to engage with initiatives as they are able.
- Can work in specific settings: education, sport, health, interest groups, organisations or in the community.
- Is supported by the Community Engagement Executive.

Join Us

Join the Gender Equity Coalition to help build a fair, safe, and inclusive Greater Bendigo.
